

Korean Investors European Real Estate

We know Korean investors. We currently manage in excess of £1 billion of European real estate assets for our Korean clients. Our award-winning global network, with teams in Asia, the Channel Islands, Europe and the Caribbean have played a central role in facilitating a substantial proportion of these transactions, setting themselves apart as the go-to international professional services firm for Korean investors. With this depth of experience comes a comprehensive understanding of Korean investors' structuring requirements and the standards they expect from their appointed advisers.

We support with:

- Acquisitions and development projects
- Asset and portfolio acquisitions and disposals
- BVI, Cayman, Guernsey, Irish, Jersey and Luxembourg legal advice
- Corporate administration services to real estate structures
- Cross-border structuring and advice for lenders and borrowers
- Fund, joint venture and sole investor structures
- Realisation of real estate security in enforcement situations
- Accounting and tax compliance services
